Finally !

The 1st superior quality disposable dishware for cook-serve & cook-chill !

No need to look elsewhere ...

It's the best !

- ✓ Exceptional rigidity provides enhanced performance. Safer for patients, residents and staff,
- ✓ Dishware can be refrigerated to -3° C and reheated to 125° C,
- ✓ Convenient, easy to handle, and stackable,
- ✓ Designed by Ergogrip and made in Canada.

New

Dome 8"
HI-HEAT

Code : D-HH8
1 case = 150 units

Easy to confirm the meal choice thanks to its transparency.

New

Rimmed plate 8"
HI-HEAT

Code : P-HH8
1 case = 150 units

Rigid plate with raised rim prevents collapse and spillage.

New

8 oz container
HI-HEAT
